TOPIC	DISCUSSION	ACTION/RESPONSIBILITY
<b>Pro Sports</b>	Vikings – Training Camp; could we get one to come and visit camp Hockey Players Lily Diabetes – Kris Freeman or Ryan Reed NovoNordisk/Sanofi – Team Type 1 – bikers Agreed to pursue all avenues and cancel if needed.	
<b>Camp Activities</b>	Decided to not do horseback riding this year. Does not align well with our Sports Theme. Look at other sports themed activities (MSU – climbing wall, ropes, etc) *Capture the Flag, Minute to Win It, Woffel ball tournament *Possibly tour Target Field (Pursue thru Twins Wives) Look at a possible 4yr/5yr rotation on activities so we aren't doing the same thing every year.	
<b>Waterfront Staffing</b>	Waterfront Director – Pursue Tavis as Lead person, but not director. Rene has already been in contact with other areas, and also contacted by the Y to work closer with them on our Lifeguard staffing needs. Rene will take on task of acquiring staff for a safe waterfront. Lifeguards will not be paid for their time not on waterfront.	
<b>Gophers at Camp</b>	Todd & Robin Jordan to possibly stay out at camp for the week. Tammy Milbrandt	
<b>Counselors</b>	Goal is for approx. 30 counselors *Daycampers – 2 med staff and 8 counselors *Vickie will contact colleges seeking students with T1D, nursing schools, etc. *Saturday – Orientation *Sunday – Camp Starts *Wednesday – Counselors check out *Kevin will be in contact with past counselors to see if they are interested in working again this year. *Look at the possibility of having counselors come early on Saturday, boat rides, etc. – get to know each other, unwind before camp.	
<b>Medical Staff</b>	Separate daycampers from overnight campers Add more medical staff for nights/evenings Vickie, Melissa and Mary to recruit medical staff	
<b>Food</b>	Tara will contact Jaime to see if she is interested in being Tara's assistant again this year. Tara will not be able to attend orientation on Saturday, but will be at camp Sunday morning.	*Tara to research cost of food thru vendor vs. Sam's Club

	Look at vendors for food distribution – No fee to get set up, they will deliver, could be cheaper. (Tara to research cost). Mary checked with St Peter Schools and we could have food delivered and stored there until camp.	
<b>Scout Trailer</b>	Currently have one trailer on reserve for camp. *Need water jugs *Rene to reserve large tent	*Rene to reserve large tent
